

EVERYBODISH

You are a kitchen assistant working for the famous chef Gordon Zola, who has tasked you with saving restaurants on the brink of bankruptcy.

You'll have to prepare dishes with your teammates against the clock. The only problem? You're the meat!

Cooperate to meet the required quotas, and battle it out to see who ends up in the pot.

Complete as many tasks as possible and survive as long as you can to earn the title of Employee of the Month.
